

**Q1.** Explain the benefits of **Sukshma Vyayama (Loosening Exercises)** in improving joint mobility, flexibility, and body awareness. *(5 Marks)*

**Q2.** Describe the **12 steps of Surya Namaskar** and explain the importance of synchronized breathing during each posture. *(3Marks)*

**Q3. Practical Activity** *( 12 Marks)*

Practice **Sukshma Vyayama** (6Marks) and **Surya Namaskar** (6Marks) for at least **5 consecutive days**.

Submit a report that includes:

- **2–4 photographs** of yourself performing Sukshma Vyayama and Surya Namaskar (clear and properly aligned postures).
- A **brief report (150–200 words)** describing your experience, including:
  - Duration of practice
  - Challenges faced
  - Improvements observed in flexibility, posture, balance, breathing, or energy levels
  - Your overall learning from the activity

#### **Submission Guidelines**

- Mention your **Name, Roll Number, Division, and Batch** on the first page.
- Attach the photographs with proper captions.
- The report should be in your own words.
- Submit the assignment on or before the date
